**Towards safe injection practices for prevention of hepatitis C transmission in South Asia: Challenges and progress**

Naveed Zafar Janjua, Zahid Ahmad Butt, Bushra Mahmood, Arshad Altaf

#### Abstract

**AIM:** To summarize the available information about injection use and its determinants in the South Asian region.

**METHODS:** We searched published and unpublished literature on injection safety in South Asia published during 1995–2016 using the keywords “injection,” “unsafe injection,” and “immunization injection,” and combined these with each of the countries and/or their respective states or provinces in
