Pregnancy and inflammatory bowel disease: Do we provide enough patient education? A British study of 1324 women

Carbery I *et al.* IBD and Pregnancy related patient knowledge

Isabel Carbery, Jihane Ghorayeb, Anna Madill, Christian P Selinger

### Abstract

**AIM:** To examine patient knowledge and factors influencing knowledge about pregnancy in British women with inflammatory bowel disease (IBD).

**METHODS:** This is a post hoc analysis of a study of female members of Crohn's and Colitis United Kingdom, aged 18-45 years who were sent an online questionnaire
