Re: Errors in Zhao *et al* (2015), **Impact of enteral nutrition on energy metabolism in patients with Crohn's disease**

Kaiser K *et al*. Statistical errors in Zhao *et al*, 2015

Kathryn A Kaiser, Brandon R George, David B Allison

Abstract

We report invalidating errors and data inconsistencies in a single cohort study of patients with Crohn's disease. These errors should be corrected.

Key words: Statistical error; Data inconsistency; Differences in nominal significance
