Core Tip: This is a correction to “Novel long non-coding RNA LINC02532 promotes gastric cancer cell proliferation, migration, and invasion in vitro”. We found that the result of Si-LINC02532 #2 group in the MGC-803 cell invasion assay (Figure 3A) was displayed by a mistake. The revised Figure 3 was uploaded.

TO THE EDITOR

We recently read our manuscript ^[1] published in the *World Journal of Gastrointestinal Oncology* (Manuscript NO: 43472, DOI: 10.4251/wjgo.v11.i2.91), and we found that the result of Si-LINC02532 #2 group in the MGC-803 cell invasion assay (Figure 3A) was displayed by a mistake. Therefore, we are writing to apply for the modification of

Figure 3A. The revised Figure 3 was uploaded in the attachment. This mistake has no influence on the interpretation of the results or conclusion in this study.
