Assessment of serum angiogenic factors as a diagnostic aid for small bowel angiodysplasia in patients with obscure gastrointestinal bleeding and anaemia

Holleran G *et al.* Angiopoietin-2, a diagnostic marker for angiodysplasia

Grainne Holleran, Mary Hussey, Sinead Smith, Deirdre McNamara

**Abstract****AIM**

To assess the use of serum levels of Ang1, Ang2 and tumor necrosis factor- $\alpha$  (TNF $\alpha$ ) as predictive factors for small bowel angiodysplasia (SBA).
