Role of serial multiparametric Magnetic Resonance Imaging in prostate cancer active surveillance

Larissa J Vos, Michele Janoski, Keith Wachowicz, Atiyah Yahya, Oleksandr Boychak, John Amanie, Nadeem Pervez, Matthew B Parliament, Edith Pituskin, B. Gino Fallone, Nawaid Usmani

#### Abstract

**AIM:** To examine whether addition of 3T multiparametric magnetic resonance imaging

#### Match Overview

[HTML] Multiparametric magnetic resonance imaging in prostate cancer: present and future

J Kurhanewicz, D Vigneron, P Carroll... - Current opinion in ... , 2008 - ncbi.nlm.nih.gov

Summary The best characterization of prostate cancer in individual patients will most likely result from a multiparametric (MRI/MRSI/DTI/DCE) exam using 3T magnetic resonance scanners but questions remain as to how to analyze and display this large amount of ...
