Assessment of the Free Fraction of 25-Hydroxyvitamin D in Serum and Its Regulation by Albumin and the Vitamin D-Binding Protein*

DD BIKLE, E GEE, B HALLORAN... - The Journal of ... , 1986 - press.endocrine.org

We measured the free fraction of 25-hydroxyvitamin D (25OHD) in human serum and determined that 25OHD bound to a component with an affinity constant of $7 \times 10^8 \text{ M}^{-1}$ and a concentration of $4.5 \times 10^{-6} \text{ M}$. This concentration was equal to that of the vitamin D-binding ...
