Delineation of epicardial stenosis in patients with microvascular disease using pressure drop coefficient: A pilot outcome study

Ullhas Udaya Hebbar, Mohamed A Effat, Srikara V Peelukhana, Imran Arif, Rupak K Banerjee

### Abstract

**Aim:** To investigate the patient-outcomes of newly developed pressure drop coefficient in diagnosing epicardial stenosis in the presence of concomitant microvascular disease.

**Methods:** Patients from our clinical trial were divided into two subgroups with: a) cut-
