Granulocyte-colony-stimulating-factor-producing hepatocellular carcinoma

S Yamamoto, S Takashima, H Ogawa, T Kuroda... - Journal of ... 1999 - Springer

Abstract: Patients with hepatocellular carcinoma (HCC) rarely show marked granulocytosis. We report an interesting case of rapidly growing poorly differentiated HCC associated with marked granulocytosis. The blood leukocyte count decreased following several treatments ...

Granulocyte colony-stimulating-factor-producing hepatocellular carcinoma with extensive sarcomatous changes: report of a case

M Kohno, K Shirabe, Y Mano, J Muto, T Motomura... - Surgery today, 2013 - Springer

Abstract This report describes a rare case of hepatocellular carcinoma (HCC) producing granulocyte colony-stimulating factor (G-CSF). A 46-year-old male with chronic hepatitis B, who presented with fever, general malaise, loss of appetite, and weight loss, had a huge ...
