First report of small cell lung cancer with PTHrP-induced hypercalcemic pancreatitis causing disconnected duct syndrome

Montminy EM *et al.* Paraneoplastic hypercalcemia-associated disconnected duct syndrome

Eric M Montminy, Stephen Landreneau, Jordan Karlitz

### Abstract

Here we report a patient diagnosed with small cell lung cancer after first presenting with parathyroid hormone-related peptide-induced hypercalcemic pancreatitis and developed walled-off necrosis that resulted in disruption of the main pancreatic duct. Disconnected duct syndrome (DDS) is a rare syndrome that occurs when the main
