Cognitive Behavioral Treatments for Anxiety in Children ...

https://www.ncbi.nlm.nih.gov/pmc/articles/PMC6902190

Nov 22, 2019 - Studies of youth with ASD in the United States have estimated that psychological therapy (often referred to as psychotherapy) is among the most frequently used mental health services for youth with ASD, with as many as 23% to 43% of youth accessing this type of treatment. 9,10 Several small randomized clinical trials using wait-list or usual ...
