Pathogenetic mechanisms in the initiation and perpetuation of Sjögren's syndrome

M Voulgarelis, AG Tzioufas - Nature Reviews Rheumatology, 2010 - nature.com

... Polymorphisms of HLA **class** II genes and autoimmune responses to Ro/SS ... of the major risk alleles of IRF5 and STAT4 in primary **Sjögren's syndrome**. ... Aromatase-deficient mice spontaneously develop a lymphoproliferative autoimmune disease resembling **Sjogren's syndrome**. ...

被引用次数: 104 相关文章 所有 4 个版本 引用 保存

Autoantibodies in primary **Sjögren's syndrome**: new insights into mechanisms of autoantibody diversification and disease **pathogenesis**

TP Gordon, AI Bolstad, M Rischmueller... - ..., 2001 - informahealthcare.com

... Determinant spreading: **lessons** from animal models and human disease. Immunological Reviews1998; 164: 209-229. ... HLA **Class** I1 phenotype controls diversification of the autoantibody response in primary **Sjogren's syndrome** (pSS). Clin. Exp. Immunol. ...

被引用次数: 83 相关文章 所有 5 个版本 引用 保存 更多

The role of epithelial cells in the initiation and perpetuation of autoimmune lesions: **lessons** from **Sjögren's syndrome** (autoimmune epithelitis)

DI Mitsias, EK Kapsogeorgou, HM Moutsopoulos - Lupus, 2006 - lup.sagepub.com

... Determinant spreading: **lessons** from animal models and human disease ... 52 Sumida T, Matsumoto I, Maeda T, Nishioka K. T-cell receptor in **Sjögren's syndrome**. ... In primary **Sjogren's syndrome**, HLA **class** II is associated exclusively with autoantibody production and spreading of ...

被引用次数: 50 相关文章 所有 7 个版本 引用 保存

Identification of tear lipocalin as a **novel** autoantigen **target** in **Sjögren's syndrome**

R Navone, C Lunardi, R Gerli, E Tinazzi... - Journal of ..., 2005 - Elsevier

... exocrinopathy and particularly by oral and ocular dryness (xerostomia and keratoconjunctivitis sicca, respectively) [2 ... on their surface or secrete different **molecules**, such as MHC **class** II.
