### Marvelous but Morbid: Infective endocarditis due to ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4917215>

Infective endocarditis (IE) due to *S. marcescens* was first described in 1951, 18 and the first case of IE due to a non-pigmented strain of *Serratia* was reported in 1970. 19 *Serratia marcescens* also played an important role in historical experiments that elucidated the pathogenesis of endocarditis. 20 Yet, IE due to this organism remained an ...

### [PDF] Community-Acquired Carbapenem-Resistant *Serratia* ...

<https://scienceforecastoa.com/Articles/JCCR-V1-E2-1011.pdf>

Case Report Published: 22 Aug, 2018 Abstract We describe a case of carbapenem-resistant *Serratia marcescens* endocarditis in an intravenous drug user. Septic emboli to the brain, large splenic abscesses, and an ankle abscess were identified on imaging. The patient completed therapy with ceftazidime/avibactam and ciprofloxacin, but was lost

### Pacemaker endocarditis: an important clinical entity

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3029139>

Nov 18, 2009 - Pacemaker endocarditis remains a rare but potentially life threatening complication of pacemaker implantation. This case illustrates a rare cause of pacemaker endocarditis, *Serratia marcescens*, the management difficulties that can be faced with such organisms, and the potential indolent nature of pacemaker lead associated endocarditis. A review of the current data for pacemaker endocarditis ...
