Manuscript Type: CASE REPORT

Living donor liver transplantation combined with abdominal wall reconstruction for hepatocellular carcinoma with needle track seeding: Can we achieve long term survival? A case report

Horng-Ren Yang, Ashok Thorat, Kanellos Gesakis, Ping-Chun Li, Kidakorn Kiranantawat, Hung Chi Chen, Long-Bin Jeng

### Abstract

Malignant cell seeding in subcutaneous tissues along the needle track and/or percutaneous biliary drainage catheters is rare complication, but pose various technical issues in planning surgical treatment of such patients. If underlying primary hepatic malignancy can be treated, an aggressive resection of subcutaneous

### Liver Transplantation with Neoadjuvant Chemoradiation is More ...

[www.ncbi.nlm.nih.gov/pmc/articles/PMC1357753/](http://www.ncbi.nlm.nih.gov/pmc/articles/PMC1357753/)

We developed a protocol combining neoadjuvant radiotherapy, ... Nevertheless, liver transplantation did achieve long-term survival for a small group of patients ... Transplantation was performed with deceased donor livers, living donor right livers, ..... As with hepatocellular carcinoma, we will need to determine the risk for....

### IHPBA World Congress abstracts – Posters

[www.ncbi.nlm.nih.gov/pmc/articles/PMC2020688/](http://www.ncbi.nlm.nih.gov/pmc/articles/PMC2020688/)

We investigated whether NST was possible to induce mixed chimerism and maintain the .... 1003 LIVING DONOR LIVER TRANSPLANTATION NAVIGATED BY 3-D ... of patients with hepatocellular carcinoma (HCC) and underlying liver cirrhosis is ..... CONCLUSION: Our data show that long-term survival can be obtained in....

### Department of Surgery - Hepatocellular Carcinoma (Primary Liver ...

[www.surgery.ucsf.edu/conditions-procedures/hepatocellular-carcinoma-\(primary-li](http://www.surgery.ucsf.edu/conditions-procedures/hepatocellular-carcinoma-(primary-li)

Primary liver cancer, also known as hepatocellular carcinoma, is a cancer ... The liver is a vital organ, meaning that one cannot live without it. ... When normal cells grow old or get damaged, they die, and new cells take .... Rarely, new small areas of tumor can be seeded from the tumor into the liver along the needle track.

### Early-Stage Hepatocellular Carcinoma in Patients with Cirrhosis ...
