

For the paper entitled “High levels of homocysteine downregulate apolipoprotein E expression via NF-kB”, manuscript No.20164, no animals were used in the study. Thus, the **Institutional animal care and use committee statement**, and **Animal care and use statement** are not applicable for the study.

On behalf of the authors,

Dr. Anca V. Gafencu

A handwritten signature in blue ink, appearing to be 'AG', is located below the name of the author.
