Re: ID 00573381 - "Prednisolone inhibits SaOS2 osteosarcoma cell proliferation by activating inducible nitric oxide synthase" by Alessandra Cazzaniga, Jeanette AM Maier and Sara Castiglioni

For our study, no animals were used. This is why we do not provide any IACUC.

A handwritten signature in black ink, appearing to read "Jeanette A.M. Maier".

Jeanette A.M. Maier, M.D.
