

Certificate of Biostatistics

31 October 2022

To whom it may concern

Title of Study: Microvesicles with mitochondrial content are increased in patients
with sepsis and associated with inflammatory responses

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely, *Ling-Ling, Tong*

Ling-Ling, Tong, Prof., School of Public Health, University of South China,
Hengyang, 421001, China.
