

Certificate of Biostatistics

December 16th 2019

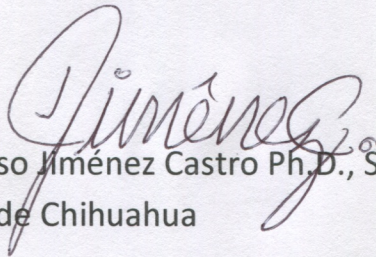

To whom it may concern

Title of Study: Effectiveness of a microabrasion technique using 16% HCL with manual application on fluorotic teeth: a case series study.

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries

Sincerely

Jorge Alfonso Jiménez Castro Ph.D., Statistical adviser, Universidad Autónoma de Chihuahua
