

Certificate of Biostatistics

30 November 2022

To whom it may concern

Title of study: **Vitamin D deficiency among outpatients and hospitalized patients with diabetic foot ulcers: A systematic review and meta-analysis.**

This letter is to confirm that I have read the ethic application prepared for this study, and that in my opinion the statistical method is appropriate for this research.

Please contact me if you have any queries.

Sincerely,

Dr Ehab Frah, PhD. Statistics -Assistance Professor of Biostatistics

Biostatistics & Qualitative data analyst

Faculty of Science, Statistics Department.

Supervisor of Information and Statistics unit, Vice of Quality and Development

University of Tabuk
