Biostatistics statement: The statistical methods of this study were reviewed by David Fuks, PhD in statistics.

Thanks very much,
Yours sincerely,

Alban Zarzavadjian Le Bian, MD, PhD

A handwritten signature in black ink on a light-colored background. The signature is stylized, featuring a large, sweeping loop that starts from the left, goes up and over, and then comes back down to the left. There are some smaller loops and flourishes at the end of the signature. The background appears to be a piece of paper with a faint grid or texture.
