

Certificate of Biostatistics

9 November 2017

To whom it may concern

Title of Study: Multi-parameter genes expression profiling in peripheral blood for early detection of hepatocellular carcinoma

Chief Investigator: Hua-Ming Wang, Department of interventional therapy, 302 Hospital of People's Liberation Army, Beijing 100039, China

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely

Wang Yong, Academy of Mathematics and Systems Science, Chinese Academy of Sciences, Beijing, China
