## Certificate of Biostatistics

Buenos Aires, December 12, 2018

To whom it may concern,

Title of the study: **Gluten immunogenic peptide excretion detects dietary transgressions in treated celiac disease patients.**

Head Investigator and responsible:

Julio C. Bai, M.D.  
Professor Emeritus. School of Medicine  
Universidad del Salvador  
Consultant, "Dr. C. Bonorino Udaondo" Gastroenterology  
Hospital

This letter is to confirm you that I have read the ethics applications for this study, and that in my view, the statistical methods and analyses reported are appropriated for the research.

I remain to your entire disposition.

Sincerely,

Julio Berreta, M.D., Ph.D.  
Regular professor of Physiology and Biophysics  
School of Medicine. Buenos Aires University. Argentina.
