

Biostatistics statement

Title: Complete or partial split in associating liver partition and portal vein ligation for staged hepatectomy (ALPPS): A systematic review and meta-analysis

MS Number: 51035

The statistical methods and results of this study have been reviewed by a biomedical statistician.

A photograph of a handwritten signature in black ink on a light-colored background. The signature reads 'Zhisong Lin' in a cursive, flowing script. The first name 'Zhisong' is written with a large, sweeping 'Z' and 'L' that connect to the second name 'Lin', which is also written in a cursive style.
