Certificate of biostatistics

To whom it may concern

I, Fabien Wuestenberghs, graduate from the CESAM (Centre d'enseignement de la statistique appliquée à la médecine et à la biologie médicale) from Pierre et Marie Curie University (Sorbonne Universités, Paris, France) in 2017, certify that the statistical analysis of the article entitled "Bladder-colon chronic cross-sensitization involves neuro-glial pathways in mice" has been checked and that the methods used are appropriate.

Sincerely,

Fabien Wuestenberghs, MD
