Re: Pre-submission statistical review of ***Clinical features and long-term outcomes of patients with colonic oligopolyposis of unknown etiology by Dan Feldman, Linda Rodgers-Fouche, Stephanie Hicks, and Daniel C. Chung***

Dear Editor and Reviewers,

This is to confirm that this manuscript was reviewed by a member of the Harvard Catalyst Biostatistics Program at Massachusetts General Hospital (MGH). Our review found that the statistical considerations for the design, analysis, and interpretation were very appropriate. find

If there are questions, please contact me.

Sincerely,

Hang Lee, PhD.

Associate Professor of Medicine, Harvard Medical School

Associate Director of Collaborative Research & Consulting, MGH Biostatistics Center

Associate Director, Harvard Catalyst Biostatistics Program at MGH
