

Certificate of Biostatistics

28 February 2024

To whom it may concern

Title of Study: Real-world efficacy and safety of tofacitinib treatment in Asian patients with ulcerative colitis

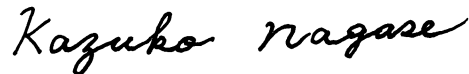

Chief investigator: Kentaro Kojima,

Department of Gastroenterology, Hyogo Medical University, Nishinomiya, Hyogo, Japan

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kazuko Nagase". The script is cursive and fluid, with the first letters of the first and last names being capitalized and prominent.
