

## Certificate of Biostatistics

5 November 2023

Manuscript title: Hepatic arterial infusion chemotherapy plus  
angiogenesis inhibitors and PD-1/PD-L1 blockers for unresectable  
hepatocellular carcinoma in real-world practice and meta-analysis

Manuscript ID: 89452

To whom it may concern, I have reviewed the statistical methods in this  
manuscript, and in my opinion that the statistical methods are appropriate  
for this research.

Sincerely,

Wang Li,

Sun Yat-sen University Cancer Center
