Editor-in-Chief

World Journal of Gastrointestinal Surgery

3-Dec-2022

To whom it may concern,

I, Dr Juanita Noeline Chui, certify that the statistical analysis for the article entitled, ***“Surgical management of high-grade pancreatic injuries: Insights from a High-volume Pancreaticobiliary Specialty Unit”***, was performed and verified at the Department of Upper Gastrointestinal Surgery, in affiliation with the Faculty of Medicine and Health, University of Sydney.

The statistical methods of this study were reviewed by statistical consulting services of the department and faculty.

Sincerely,

A handwritten signature in black ink, appearing to read 'Juanita Chui', with a long horizontal flourish extending to the right.

Dr Juanita Noeline Chui

Medical Officer - Royal North Shore Hospital

Clinical Associate Lecturer – Northern Clinical School, University of Sydney
