

Certificate of Biostatistics

28 January 2021

To whom it may concern

Title of Study: Ability of lactulose breath test results to accurately identify colorectal polyps through the measurement of small intestine bacterial overgrowth

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in green ink, appearing to read 'Jesse Yu', is positioned to the right of the word 'Sincerely,'.
