

## BIOSTATISTIC STATEMENT

20/01/2022

**Title:** Differential distribution of gene polymorphisms associated with hypercholesterolemia, hypertriglyceridemia, and hypoalphalipoproteinemia among Native American and Mestizo Mexicans

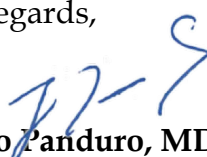

**Manuscript Number:** 75254

Dear Editors

I hereby certify that I have reviewed the statistical analysis for the paper: *Differential distribution of gene polymorphisms associated with hypercholesterolemia, hypertriglyceridemia, and hypoalphalipoproteinemia among Native American and Mestizo Mexicans*

Considering my expertise, I have developed the necessary competences for carrying out statistical analysis as required for the submission of this paper. All authors revised the calculations to the best of their knowledge.

Best regards,

**Arturo Panduro, MD, PhD, FAASLD**
