

## Biostatistics Statement

12 October 2021

To whom it may concern,

I, Dr. David Woodard, certify that the statistical analysis of the article entitled:

**“Risk Profiles and Outcomes of Patients Receiving Antibacterial Cardiovascular Implantable Electronic Device Envelopes: A Preliminary Retrospective Analysis”**

Was performed and verified by a PhD biostatistician contracted to complete the analysis of our dataset.

Dr. David Woodard

A handwritten signature in black ink, appearing to read 'David Woodard', with a stylized flourish at the end.
