To whom it may concern,

Title of Study: "Decreased Incidence of Michigan Emergency Department Visits for Febrile Neutropenia Observed After Public Health Measures for the COVID-19 Pandemic"

Principal Investigator: Dr. Michael Baracy Jr.

This Letter is to confirm that the statistical analysis for the above study was performed by the Department of Biomedical Investigations and Research at Ascension St. John Hospital. The statistical methods and techniques utilized were deemed methodologically sound and appropriate for this research.

Please contact me with any questions or concerns.

Sincerely,

Dr. Michael Baracy Jr., MD, MHA
