

Certificate of Biostatistics

23rd November 2022

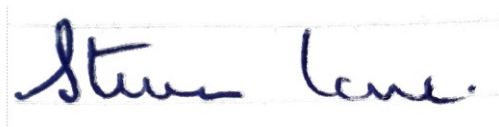

To whom it may concern

Title of study: Does orthotics use improve comfort, speed, and injury rate during running? A randomised control trial.

Chief Investigator: George Ampat, Consultant Orthopaedic Surgeon, School of Medicine, University of Liverpool, Cedar House, Ashton Street, Liverpool, United Kingdom, L69 3GE.

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical techniques mentioned are appropriate for the research.

Sincerely,

A handwritten signature in blue ink, reading "Steven Lane", enclosed in a rectangular box.

Steven Lane, PhD, MSc, BSc, Department of Clinical Infection, Microbiology & Immunology, School of Medicine, University of Liverpool, Cedar House, Ashton Street, Liverpool, United Kingdom, L69 3GE.
