Certificate of Biostatistics

20 October 2023

To whom it may concern.

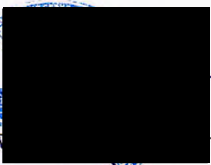

This letter confirms that I, Dr. Marat Zhanaspayev, Doctor of Medical Science (DMSc) and the Head of the Traumatology and Paediatric Surgery Department, have overseen the statistical analysis of the article titled:

"Correction Method for Moderate and Severe Degrees of Hallux Valgus Associated with Transfer Metatarsalgia."

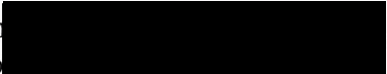

The statistical analysis was conducted at the Department of Epidemiology and Biostatistics of Semey Medical University. I have reviewed the ethics application prepared for this study and am of the opinion that the statistical methods and techniques employed are suitable for the research.

Please contact me if you have any queries.

Sincerely,

Marat Zhanaspayev, 

Doctor of Medical Sciences,  head of Traumatology and Paediatric Surgery Department, Non-Commercial Joint-Stock Company "Semey Medical University", 103, Abai Kunanbayev str., Semey 071400, the Republic of Kazakhstan.
