

David L. Streiner, Ph.D., C.Psych.

Professor Emeritus

Department of Psychiatry and Behavioural
Neurosciences

Department of Clinical Epidemiology and Biostatistics

21 April 2016

To: Editor, *World Journal of Clinical Pediatrics*

Re: Understanding academic clinicians' intent to treat pediatric obesity
Claudia Frankfurter *et al.*

This is to certify that I have read this paper and deem that the statistical analyses were competently and accurately done. I have no concerns about them.

Please let me know if I can provide any further information.
