

Certificate of Biostatistics

10 February 2021

To whom it may concern

Title of Study: Self-compassion and resilience mediate the relation of childhood exposure to domestic violence with posttraumatic stress disorder/growth among Chinese college students during COVID-19

Principal investigator: Xinli Chi, School of Psychology, Shenzhen University

Correspondence: Liye Zou, Exercise & Mental Health Laboratory, School of Psychology, Shenzhen University

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink, reading "Chi Xinli". The signature is written in a cursive, flowing style. The first character "Chi" is larger and more prominent, followed by "Xinli" in a similar but slightly smaller script.

Xinli Chi, PhD, School of Psychology, Shenzhen University, 3688 Nanhai Avenue,
Nanshan District, Shenzhen, China.
