

## Biostatistics Review Certificate

14<sup>th</sup> December 2021

To whom it may concern,

**Title: *A Systematic Review and Meta-analysis of the Mental Health impact on BAME populations with Preterm birth***

**Correspondence author:** Dr Peter Phiri

Research & Innovation Department

Clinical Trials Facility, Tom Rudd Unit

Moorgreen Hospital, Botley Road, West End

Southampton, SO30 3JB, United Kingdom

This letter is to confirm that I have read the manuscript prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Should you have any queries please do not hesitate to contact me.

Yours Sincerely,

**Professor Jian Qing Shi. PhD**

The Alan Turing Institute,

London, UK

Southern University of Science and Technology, China
