

Biostatistics Review Certificate

28th July 2022

To whom it may concern,

Title: Evaluation of a culturally adapted CBT- based, third wave therapy manual

Correspondence author: Dr Peter Phiri

Research & Innovation Department

Clinical Trials Facility, Tom Rudd Unit

Moorgreen Hospital, Botley Road, West End

Southampton, SO30 3JB, United Kingdom

This letter is to confirm that I have read the manuscript prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Should you have any queries please do not hesitate to contact me.

Yours Sincerely,

Professor Jian Qing Shi. PhD

Department of Statistics and Data Science,

Southern University of Science and Technology
