

CERTIFICATE OF BIostatISTICS

September 22, 2022

Title of study: Urinary Tract Injury During Hysterectomy: Do Surgeon Specialty and Surgical Volume Matter?

Lead author: Emilee L. Khair, MD
Department of Obstetrics and Gynecology
Ascension St. John Hospital, Detroit, MI

To whom it may concern,

I attest that I conducted the statistical analysis for this study. In my opinion, the statistical methods used are appropriate for the research.

Please contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads 'Karen H. Hagglund, MS'.
