

Name of journal: *World Journal of Gastroenterology*

Manuscript Type: Systematic Review

Title: Post-COVID-19 Cholangiopathy: Systematic Review

Mazen Rasheed, MSc. MD. Respiratory Medicine Registrar in Sudan Medical Specialization Board (SMSB), MSc in Acute Medicine University of South Wales (USW) UK, MSc in Respiratory Medicine University of South Wales (USW) UK, and MBBS (Bachelor of Medicine, Bachelor of Surgery) The National Ribat University, SUDAN.

Vinícius Remus Ballotin, MD. School of Medicine, Universidade de Caxias do Sul, Brazil..

Lucas Goldmann Bigarella, MD. School of Medicine, Universidade de Caxias do Sul, Brazil.

Jonathan Soldera, MSc, MD. Tutor of Acute Medicine and Gastroenterology, University of South Wales. Master's in Medicine: Hepatology, Doctoral Student, Pathology, Universidade Federal de Ciências da Saúde de Porto Alegre, Brazil.

Soldera J and Ballotin VR contributed to statistical analysis: since this article is a systematic review with no meta-analysis, a simple frequency and means analysis was used, which made unnecessary a professional statistician, given that both are researchers with vast experience in biomedical statistics.
