ICMJE Form for Disclosure of Potential Conflicts of Interest

Are there other relationships not covered above Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work? Yes, the following relationships/conditions/circumstances are present (explain below): No other relationships/conditions/circumstances that present a potential conflict of interest At the time of manuscript acceptance, journals will ask authors to confirm and, if necessary, update their disclosure statements. On occasion, journals may ask authors to disclose further information about reported relationships. Section 6. Disclosure Statement Based on the above disclosures, this form will automatically generate a disclosure statement, which will appear in the box below. Generate Disclosure Statement This paper was not funded by any sources and the authors have no competing or conflicts of interest
