

CONFLICT-OF-INTEREST STATEMENT

I, undersigned, Philippe Lehert, Professor of Statistics and consulting statistician since 30 years, declare that this paper has been written by myself, that it has never been published, that the research is 100% original. I have absolutely no conflict of interest done in Nice, France, 9-8-2015

A handwritten signature in black ink, appearing to read 'H. Lehert', is written on a light blue background. The signature is written in a cursive, slightly slanted style.
