Re: Manuscript ID 03339322

Conflict of Interest Statement

Dear Editor,

None of the authors of the manuscript titled "Validation of a Pediatric Bedside Tool to Predict Time to Death after Withdrawal of Life Support" have any relevant conflicts of interest to report.

Should you have any questions, please do not hesitate to contact me at alex.rotta@uhhospitals.org or (216) 844-3310.

Sincerely,

Alexandre T. Rotta, MD, FCCM, FAAP
The Linsalata Professor and Chair in Pediatric Critical Care and Emergency Medicine
Chief, Pediatric Critical Care
