Dear Editor,

I am reaching out to address a minor clarification concerning the second author Sezgi Kipcak. Initially, Sezgi Kipcak's name was accurately included in the list of authors. However, there was a correction made to her affiliation, which may have inadvertently caused some confusion. Each author has provided their signature in upload file to confirm the accuracy of this information.

We appreciate your attention to this matter and apologize for any confusion it may have caused. If further clarification or documentation is needed, please feel free to reach out to us.

Thank you for your understanding.

Best regards,

Pelin Ergun
