following the order of the authors' names appearing on the title page of the manuscript.

Note: Each manuscript published in the *World Series* journals is allowed only one first author and only one corresponding author. Designation of co-first authors and co-corresponding authors is not permitted.

A gentle reminder: The Baishideng Publishing Group Inc reminds all authors that instances of (1) plagiarism; (2) data fabrication and/or falsification; (3) redundant publication; and/or (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent or knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.

The following should be noted when all authors sign the agreement:

1 Authors are prohibited from making any changes to the BAISHIDENG PUBLISHING GROUP INC COPYRIGHT ASSIGNMENT without the prior consent of the editorial board.
