Dear Editor and Reviewers

World Journal of Gastroenterology

Re: 32029 Age-related Impairment of Esophagogastric Junction Relaxation and Bolus Flow Time

Data used in the study are available on request from Dr Cock. Details of esophageal manometry data in these subjects have been published separately^[1]

Yours Faithfully

A handwritten signature in black ink, appearing to read "Charles Cock", with a long horizontal line extending from the end.

Dr Charles Cock, FRACP
Director Investigation and Procedures
Repatriation General Hospital
