

AUTHORIZATION FOR PUBLICATION OF CASE STUDY

I, [REDACTED], give Dr. Amitabha Saha, Dr. Madhusha Mukhopadhyay and their team at Medica Superspecialty Hospital, Kolkata, India, permission to publish, reproduce, and distribute, the attached case report study, regarding Incidental diagnosis of Medullary Thyroid Carcinoma due to a persistent elevation of Procalcitonin during Covid-19 infection. I am aware that the case report study does not mention my name or address, but it does reflect my medical care, gender, age and medical history.

I have been told that the authors currently plan to submit the case report study for publication in a medical journal, for educational purposes.

I will not be paid in any manner for use of the case study, as described above. I will not receive any royalties or other compensation in connection with any such publication or use.

I am not required to sign this form, and I may refuse to do so. My medical treatment and payment for healthcare will not be affected by whether or not I sign this document.

I may withdraw this authorization for any future sharing at any time by notifying my consultant physician in writing, but my withdrawal will not affect information that has already been shared or published. This authorization has not expiration date.
