I give my consent for this information about MYSELF/MY CHILD OR WARD/MY RELATIVE [circle correct description] relating to the subject matter above ("the Information") to appear in the journal and associated publications*.

I have seen and read the material to be submitted to the journal

I understand the following:

- (1) The Information will be published without my name attached and *Medicine* will make every attempt to ensure my anonymity. I understand, however, that complete anonymity cannot be guaranteed. It is possible that somebody somewhere - perhaps, for example, somebody who looked after me if I was in hospital or a relative - may identify me.
- (2) The text of the article will be edited for style, grammar, consistency, and length.
- (3) The Information may be published in the journal, which is distributed worldwide. The journal goes mainly to doctors but is seen by many non-doctors, including journalists.
- (4) The Information will also be placed on the journal website,
<https://journals.lww.com/md-journal/pages/default.aspx>
- (5) *The Information may also be used in full or in part in other publications and products

published by *Medicine*. This includes publication in English and in translation, in print, in electronic formats, and in any other formats that may be used by *Medicine* journals or its licensees now and in the future. In particular the Information may appear in local editions of the journal or other journals and publications published overseas.

(6) *Medicine* will not allow the Information to be used for advertising or packaging or to be used out of context.

(7) I can revoke my consent at any time before publication, but once the Information has been committed to publication (“gone to press”) it will not be possible to revoke the consent.
