

AUTHORIZATION OF PUBLICATION OF THE CHIEF STUDY

Participant Consent

I, Yi-Chih Wu, certify that I am voluntarily and according to my own wishes participating in the observational cohort study 'Cardiorespiratory Fitness and Health in Eastern Armed Forces (CHIEF)' in which I will receive the annual military examinations including a self-report questionnaire, anthropometric examination, hemodynamic examination, imaging studies and biochemical studies, as well as the annual military exercise tests.

I have been provided with both oral and written information about the relevant study, and have had the opportunity to read the information in peace and quiet and to ask questions.

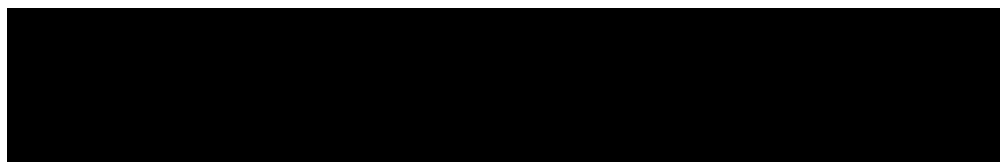

Through my signature, I agree:

- that my information for my medical records may be obtained and used as stated in the written information
- that my personal information be processed as described.
