

### **Informed Consent statement**

**Manuscript Title:** Prosthodontic management of hemimandibulectomy patients to restore form and function –A case series

This is to state that I give my full permission for the publication, reproduction, broadcast and other use of photographs, recordings and other audio-visual material of myself (including of my face) and textual material (case histories) in all publication (including books, journals, CD-ROMs, online and internet).

I declare, in consequence of granting this permission, that I have no claim on ground of breach of confidence or any other ground in any legal system against author and any editors or other contributors, publishers in respect of such use of the photograph(s) and textual material (case histories).

I hereby agree to release and discharge author and any editors or other contributors, publishers from any and all claims, demands or causes of action that I may now have or may hereafter have for libel, defamation, invasion of privacy, copyright or moral rights or violation of any other rights arising out of or relating to any use of my image or case history.
